

# Charles Miller Ltd

SPECIALIST MARITIME & SCIENTIFIC AUCTIONEERS

## SALEROOM NOTICE

Sale 28 | 'ZEPHYR' | 2 November 2021

We have yet to identify any shipper that can export/import ivory - *of any shape or type*, including marine – through U.S. Custom authorities. These authorities are presently unable to determine age or type and require DNA testing to prove it is not banned African elephant ivory.

Charles Miller Ltd would also be unable to post to the U.S.A. any items containing ivory.

Consequently, at the present time, any shipping (after settlement of our invoice) would be entirely at the **buyer's own risk**. At the very least long delays may be expected U.S. side, and in the worst instance lots could be destroyed.

ALL BOOK LOTS ARE SOLD NOT SUBJECT TO RETURN
